## FEATURED FAMILY FORM

CCGS features a Choctaw County family in each quarterly newsletter. To submit a family for this series, provide a family group sheet along with other information, photos and documents for the couple and their children. Please be as detailed as possible with dates, places, and locations. Featured Families are free to submit, but are published in the order received. Families must have Choctaw County ties to qualify.

Comments \_\_\_\_\_

Please note that as much of the information provided will be featured as space allows.

You may request to feature as many families as you like, however; only one family will be featured in each quarterly. Be advised that completed submissions are published in the order they are received. Only four issues are published each year so there may be a wait time before your family is published.

It is advisable to send copies of photos and documents rather than the originals unless you plan to donate the originals with your submission. You may also email us scans of your submission packet, if you like. If you are local or are able to visit us in person, arrangements may be made to meet us at the library and we will scan your documents for you.
