ANNOYANCE CALLS

Federal and State statutes make it unlawful for any person to make obscene, harassing, annoying or threatening telephone calls. Violations are punishable as criminal offenses by imprisonment and/or fine. Anyone wishing to report such calls should contact the Telephone Company business office. If a threat is involved, the police should also be notified.

ON THE COVER

A new day dawns and the sun rises on an Oklahoma lake, one of about 1800 in the state. They range in size from 10 acres up to sprawling 102,500-acre Lake Eufaula and huge Lake Texoma with a 2.7 million acre-foot storage capacity. In addition, an estimated 190,000 farm ponds of less than 10 acres dot the landscape. During the last 10 years alone Oklahoma's water storage capacity has more than doubled as 11 major reservoirs were completed. Four more large reservoirs are now under construction and 11 more have been authorized.

EMERGENCY CALLS ON PARTY LINES WARNING

The law of the state of Oklahoma provides that any person who shall willfully refuse to immediately relinquish a party line when informed that such line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service, or any person who shall secure the use of a party line by falsely stating that such line is needed for an emergency call, shall be guilty of a misdemeanor. The law defines an "emergency" as a "situation in which property or human life are in jeopardy and the prompt summoning of aid is essential."

Want your advertising to get action?

Here's how:

Make sure the people who see your ad are looking to buy what you're selling and your ad will probably get action. And that's exactly why Yellow Pages advertising brings results!

People who read the Yellow Pages — Action-People — are ready to buy. Want proof? A recent national study found that 93 out of every 100 references to the Yellow Pages were followed up with some kind of action . . . a visit, a call or a letter.

Want that kind of action? Advertise in the Yellow Pages. It pays.

CALLING LONG DISTANCE IS FASTER, EASIER WHEN YOU USE ONE-PLUS

TO MAKE A ONE-PLUS CALL—
—to a telephone number with the **same** area code as yours: Dial 1 and the telephone number (do not dial the area code)
—to a telephone number with a **different** area code than yours: Dial 1 and the area code and the telephone number.
So keep a list of frequently called numbers—and call one-plus.

NAME	CITY	AREA CODE	TELEPHONE NUMBER
