ANNOYANCE CALLS

Federal and State statutes make it unlawful for any person to make obscene, harassing, annoying or threatening telephone calls. Violations are punishable as criminal offenses by imprisonment and/or fine. Anyone wishing to report such calls should contact the Telephone Company business office. If a threat is involved, the police should also be notified.

ON THE COVER

Silhouetted against a sunset-painted Oklahoma sky, these riders are reminiscent of pioneer days when the man on horseback dominated the western scene. More than just a memorable part of our heritage, the cowman plays a vital role in Oklahoma today. The state has 5.4 million head of cattle valued at more than \$1 billion and ranks second in the nation in the number of beef cows.

EMERGENCY CALLS

ON PARTY LINES

WARNING

The law of the state of Oklahoma provides that any person who shall willfully refuse to immediately relinquish a party line when informed that such line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service, or any person who shall secure the use of a party line by falsely stating that such line is needed for an emergency call, shall be guilty of a misdemeanor. The law defines an "emergency" as a "situation in which property or human life are in jeopardy and the prompt summoning of aid is essential."

how to place long distance calls

TYPE OF CALL

- **One-Plus (station-to-station)** 1 + Area Code (if not 405) + Number
- **All Other** Dial Zero (Operator)

One-Plus Calling means dialing your own station-to-station calls.

Coin Phones: See instruction card on phone.

Your Area Code is 405 (see Call-Guide pages 4, 5 and 6 for others).

If You Don't Know the Number, dial Directory Assistance in distant city

DIAL

without charge, like this: 1 + Area Code (if not 405) + 555-1212.

You Will Not Be Charged if you hang up before complete number is dialed or if the phone you called is busy or no one answers. If you reach a wrong number dial Zero at once and tell The Operator so you won't be charged.

types of long distance calls

Station-to-Station

Call station-to-station if you'll talk with anyone who answers. Rates are lower than for person-to-person calls. Charging begins when the phone you've called is answered.

Person-to-Person (Dial Operator)

Call person-to-person when you wish to talk with a particular person or extension. Tell the Operator you wish to make a "person-to-person" call and give the Area Code for the city you want and the telephone number. Rates are higher than for station-to-station calls. Charging starts when conversation begins with the person you've called.

Collect (Dial Operator)

You can call "collect" only if the person or firm you're calling agrees to pay the charge. Tell the Operator you want to make a collect call, then give the Area Code for the city you want and the telephone number.

Conference (Dial Operator)

You can talk with several people in different places at the same time. Dial Operator and say you wish to make a conference call.

Mobile and Marine Service (Dial Operator)

You can make local and Long Distance calls to automobiles, trucks, trains, aircraft and boats equipped for telephone service and to practically all the world's telephones. Some Mobile and Marine calls can be completed by dialing, others must be completed by the Operator.

Overseas Service (Dial Operator)

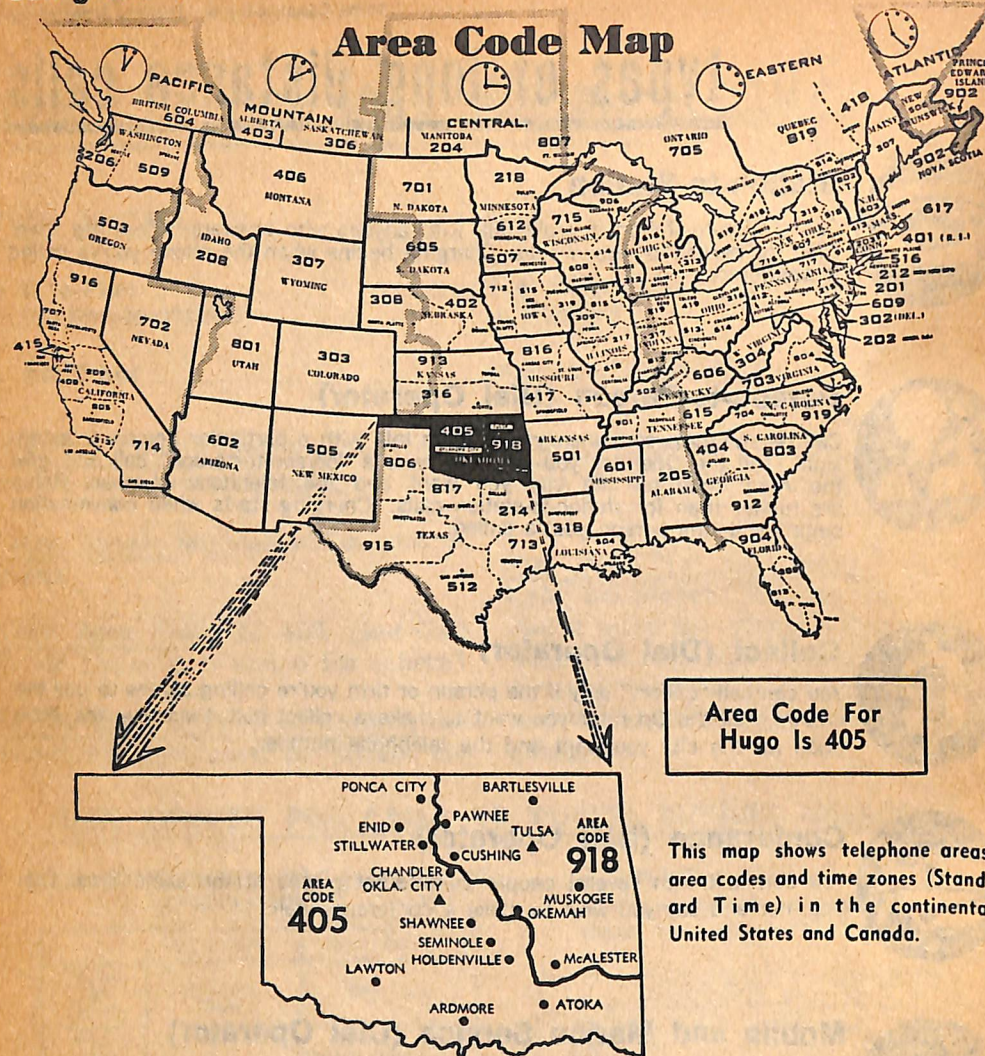

Tell the Operator you wish to place an overseas call and give the name of the country you are calling. (Reduced rates apply on calls to many points during certain night hours and/or Sundays.)

Inward WATS

Station-to-station Long Distance calls may be made without charge to you to those customers who have inward Wide Area Telecommunications Service. They offer this service to their customers calling from specific locations. Dial "1" plus Area Code 800 plus the special numbers of customers with this service. To reach Directory Assistance for inward WATS dial "1" plus Area Code 800 plus 555-1212.

general information

TARIFF PROVISIONS

The communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the Company subject to the rules, regulations and charges set forth in its tariffs. The Company's tariffs are subject to change and are made available for inspection at Company business offices during office hours. Some tariff matters of special interest are:

ABUSE OF TELEPHONE SERVICE

The tariffs provide for suspension or termination of telephone service for abuse. Abuse of service includes the use of service or facilities of the Telephone Company to transmit a message or to locate a person or otherwise to give or obtain information without payment of a Long Distance charge.

GUARDING AGAINST FRAUD

For your protection, new equipment and procedures enable the Telephone Company to detect and investigate fraudulent calls. State and Federal laws provide that no person shall defraud or attempt to defraud the Telephone Company of its lawful charges. Violators, upon conviction, are subject to imprisonment or fine or both.

DIRECTORY ACCURACY

Every effort is made to make the directory as accurate as possible. In case of error or omission the liability of the Company, if any, is limited to the amount of actual impairment of the customer's service and may not, in any event, exceed the amount paid for the service during the period covered by the directory in which the error or omission occurred.

TELEPHONE RECORDERS

A short intermittent "beep" tone on your telephone means your conversation is being recorded. This signal is provided for your protection by recorder-connector equipment furnished by the Telephone Company. It is unlawful to record a two-way telephone conversation without the "beep" tone.

CUSTOMER-PROVIDED EQUIPMENT

Customer-owned and maintained terminal devices or communication systems may be used in conjunction with the Company's facilities

and equipment provided such use complies with the Company's tariffs. The telephone network control signaling functions shall be performed by the Telephone Company. These regulations were developed in the interest of good telephone service and to prevent hazards to customers and Company employees. Violation of the regulations could result in the removal of the devices or systems or in the suspension of your telephone service. You should contact your local business office or your Southwestern Bell Communications Consultant for further information concerning these regulations.

PAYMENTS FOR SERVICE

The customer is responsible for all Long Distance calls placed from his telephone. The holder of a credit card is responsible for the security of his credit card number and will be required to pay for all Long Distance calls correctly charged to that number until the company is notified in writing that the customer's credit card has been lost, stolen or is being used by an unauthorized person.

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for your customers to reach you. Include your telephone number on your stationery, statements and all advertising pieces. Show your Area Code, too—it helps distant parties call you faster; for example, 405 379-3361.

TELEGRAMS BY TELEPHONE

You may send telegrams, cablegrams or radiograms by telephoning Western Union Telegraph Company; the charges will appear on your telephone bill. See the listing for Western Union in this directory.

IDENTIFICATION OF TELEPHONE EMPLOYEES

Every Southwestern Bell employee is issued an identification card bearing his signature and photograph. If you have reason to question the identity of any telephone employee seeking to enter your home or place of business, ask him to show you his identification card.

OUT-OF-TOWN DIRECTORIES

Directories of other cities may be obtained by calling the business office.

'Here's a hot tip from the phone company:'

Use One-Plus Dialing when you call Long Distance and save on most out-of-state calls.

There's no cheaper way to call Long Distance. And it's fast and easy, too.

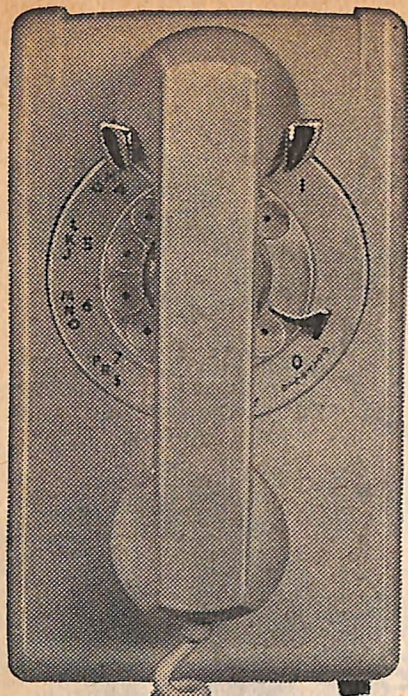

One-Plus. You can't beat it.

Now I'll dial the magic number...
555-1212!

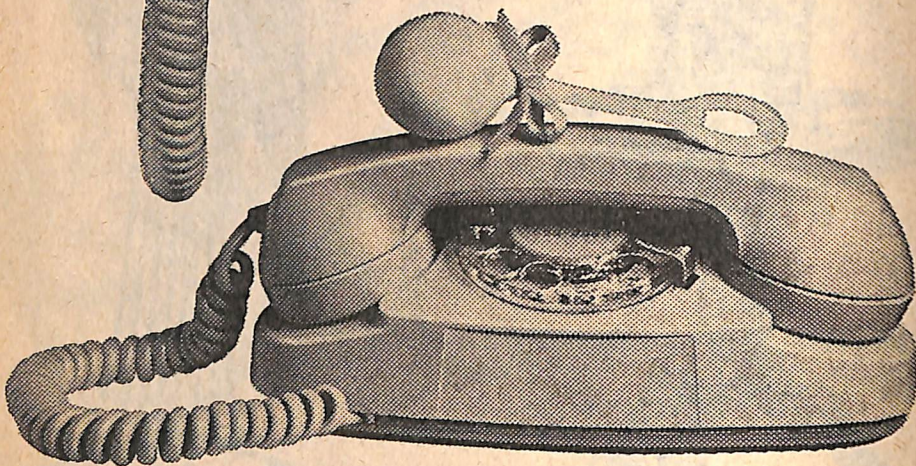

555-1212 is a magic number. You can obtain distant telephone numbers in cities throughout the country, simply by dialing one, plus the area code

(if it's different from yours) plus 555-1212. It's the universal directory assistance number. And there's no extra charge for dialing it.

**Will your
first phone
resent your
new extension?**

Relax! Sibling rivalry is unknown among telephones. There's nothing better for a busy mother than an extension phone to save her steps and time, help her run the house and raise the kids. The cost? For just pennies a day more than you're paying now for one phone, you can have two, and double your telephone convenience. Just call your telephone business office—or ask your telephone man.

*Telephone calls used to be a scream.
But today, a normal voice will do. The
difference is improved transmission—
better ways to get your voice from
here to there. Simply talk in a normal
tone of voice into the receiver and
your words will go a long way.*

HOMEOWNERS: Look before you dig.

If you're planning to dig in your yard, check for signs on poles or terminal boxes that show the location of buried telephone cable and wire. Damaged cable or wire usually means a temporary loss of phone service. If you need help in locating buried cable or wire, call the operator and ask for "Enterprise 9800." The call is free.

Read and acclaimed by millions, the Best Seller, the who's who of all ages. The Yellow Pages.

Contractors, Excavators:

Southwestern Bell has numerous signs and decals marking its buried cable routes around the country. They all carry the same basic message: "Before digging, trenching or pushing pipe, call Operator. Ask for Enterprise 9800."

Watch for our signs —please. Call Operator and ask for Enterprise 9800 . . . before you dig. A telephone company employee will locate buried telephone cable near your construction site.

Contractors, Excavators:

Prevent Costly Delays At
Your Construction Site

When a construction crew accidentally
damages a buried telephone cable, the
result is often a complete work stoppage
while telephone crews move in for repairs.

There is a way to prevent this situation.
Before you start digging, call Operator. Ask
for Enterprise 9800. (No charge for the
call.) A telephone company employee will
pinpoint buried cable near your construc-
tion site.

The elegant, new TRIMLINE telephone is the phone of the future in the palm of your hand. Pick up the handset and you're holding the lighted dial. Making several calls? Just press the button on the dial to disconnect one call, get dial tone for the next. And the sculptured Trimline phone adds beauty to any room. Lovely colors, too, in desk and wall models. To order yours, call the telephone business office or ask a telephone service man.

You think of us as the phone company.
We are—and then some. We're part
of the nation's largest computer: the
Long Distance network. We offer as
much special equipment for the handi-
capped as some hospitals. We transmit
more data than a chain of computer
companies. We employ more special-
ists than the largest consulting firms.

Contractors, Excavators:

Prevent Costly Delays At
Your Construction Site

When a construction crew accidentally damages a buried telephone cable, the result is often a complete work stoppage while telephone crews move in for repairs.

There is a way to prevent this situation. Before you start digging, call Operator. Ask for Enterprise 9800. (No charge for the call.) A telephone company employee will pinpoint buried cable near your construction site.

Before you build plan for built-in telephone service

When your new home or office is being built, plan for built-in telephone service. Built-in wiring or conduit arrangements cost little. And, you'll have completely hidden connections. No unsightly wires on the walls and you can have a telephone outlet in every room.

Call our "Building Industry Consulting Service." There's no charge.
