EMERGENCY CALLS ON PARTY LINES WARNING

The law of the state of Oklahoma provides that any person who shall willfully refuse to immediately relinquish a party line when informed that such line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service, or any person who shall secure the use of a party line by falsely stating that such line is needed for an emergency call, shall be guilty of a misdemeanor. The law defines an "emergency" as a "situation in which property or human life are in jeopardy and the prompt summoning of aid is essential."

ANNOYANCE CALLS

Federal and state statutes make it unlawful for any person to make obscene, harassing, annoying or threatening telephone calls. Violations are punishable as criminal offenses by imprisonment and/or fine. Anyone wishing to report such calls should contact the Telephone Company business office. If a threat is involved, the police should also be notified.

ON THE COVER

"Happy Birthday, America!" from your Bell System Telephone Company. That's what the cover of this directory is... a birthday party for the nation. And since 1976 is also the centennial of the telephone, we gave each of the 26 guests of honor on the cover a famous phone from yesterday or today. See last page of directory.

how to place long distance calls

TYPE OF CALL

• **One-Plus (Station-to-Station)**

• **All Other**

DIAL

1 + Area Code (if not 405) + Number

Dial Operator

One-Plus calling means dialing your own station-to-station calls.

Coin phones: See instruction card on phone.

Your Area Code is 405 (see Call-Guide pages 4, 5 and 6 for others).

If you don't know the number, dial Directory Assistance in distant city

without charge, like this: 1 + Area Code (if not 405) + 555-1212.

You will not be charged if you hang up before complete number is dialed or if the phone you called is busy or no one answers. If you reach a wrong number dial zero at once and tell the operator so you won't be charged.

Rate Periods for Calls to Points in Continental U. S.*

Charges are based upon rates in effect at the time of connection at the calling point. This also includes calls beginning in one rate period and ending in another.

Customer-Dialed One-Plus Calls

	Sat.	Sun.	Mon. thru Fri.
8 a.m. to 5 p.m.	Weekend Rate		Day Rate
5 p.m. to 11 p.m.			
11 p.m. to 8 a.m.	Night Rate		

Out-of-State One-Plus Calls: Evening rate 35 per cent below day rate; night and week-end rate 60 per cent below day rate. One-minute initial rate period anytime, day or night.

In-State One-Plus Calls: Evening rate usually lower than day rate; night and weekend rates usually under evening rate. Three-minute initial rate period at all times except at night when one-minute initial rate period applies on all calls between Oklahoma points more than 32 airline miles apart.

Holidays: On New Year's Day, July 4, Labor Day, Thanksgiving and Christmas Day, evening rates apply on One-Plus calls from 8 a.m. to 11 p.m. If the holiday falls on Saturday or Sunday, Saturday and Sunday rates apply.

Operator-Assisted Calls

Includes collect, credit card, bill-to-third number, person-to-person calls. One rate period applies at all times. Operator-assisted rates are higher than One-Plus rates. Person-to-person rates are higher than rates for other operator-assisted calls.

A minimum three-minute initial rate period applies on all operator-assisted calls. Rates for additional minutes on out-of-state operator-assisted calls are the same as for additional minutes on out-of-state One-Plus calls.

*Excluding Alaska

types of long distance calls

Station-to-Station

Call station-to-station if you'll talk with anyone who answers. Rates are lower than for person-to-person calls. Charging begins when the phone you've called is answered.

Person-to-Person (Dial Operator)

Call person-to-person when you wish to talk with a particular person or extension. Tell the operator you wish to make a "person-to-person" call and give the Area Code for the city you want and the telephone number. Rates are higher than for station-to-station calls. Charging starts when conversation begins with the person you've called.

Collect (Dial Operator)

You can call "collect" only if the person or firm you're calling agrees to pay the charge. Tell the operator you want to make a collect call, then give the Area Code for the city you want and the telephone number.

Conference (Dial Operator)

You can talk with several people in different places at the same time. Dial Operator and say you wish to make a conference call.

Mobile and Marine Service (Dial Operator)

You can make local and Long Distance calls to automobiles, trucks, trains, aircraft and boats equipped for telephone service and to practically all the world's telephones. Some mobile and marine calls can be completed by dialing; others must be completed by the operator.

Overseas Service (Dial Operator)

Tell the operator you wish to place an overseas call and give the name of the country you are calling. (Reduced rates apply on calls to many points during certain night hours and/or Sundays.)

Inward WATS

Station-to-station Long Distance calls may be made without charge to you to those customers who have inward Wide Area Telecommunications Service. They offer this service to their customers calling from specific locations. Dial "1" plus Area Code 800 plus the special numbers of customers with this service. To reach Directory Assistance for inward WATS dial "1" plus Area Code 800 plus 555-1212.

general information

TARIFF PROVISIONS

The communication services furnished by Southwestern Bell Telephone Company are public utility services which are offered by the company subject to the rules, regulations and charges set forth in its tariffs. The company's tariffs are subject to change and are made available for inspection at company business offices during office hours. Some tariff matters of special interest are:

ABUSE OF TELEPHONE SERVICE

The tariffs provide for suspension or termination of telephone service for abuse. Abuse of service includes the use of service or facilities of the Telephone Company to transmit a message or to locate a person or otherwise to give or obtain information without payment of a Long Distance charge.

GUARDING AGAINST FRAUD

For your protection, new equipment and procedures enable the Telephone Company to detect and investigate fraudulent calls. State and federal laws provide that no person shall defraud or attempt to defraud the Telephone Company of its lawful charges. Violators, upon conviction, are subject to imprisonment or fine or both.

DIRECTORY ACCURACY

Every effort is made to make the directory as accurate as possible. In case of error or omission the liability of the company, if any, is limited to the amount of actual impairment of the customer's service and may not, in any event, exceed the amount paid for the service during the period covered by the directory in which the error or omission occurred.

TELEPHONE RECORDERS

A short intermittent "beep" tone on your telephone means your conversation is being recorded. This signal is provided for your protection by recorder-connector equipment furnished by the Telephone Company. It is unlawful to record a two-way telephone conversation without the "beep" tone.

CUSTOMER-PROVIDED EQUIPMENT

Customer-owned and maintained terminal devices or communication systems may be used in conjunction with the company's facilities

and equipment provided such use complies with the company's tariffs. The telephone network control signaling functions shall be performed by the Telephone Company. These regulations were developed in the interest of good telephone service and to prevent hazards to customers and company employees. Violation of the regulations could result in the removal of the devices or systems or in the suspension of your telephone service. You should contact your local business office or your Southwestern Bell communications consultant for further information concerning these regulations.

PAYMENTS FOR SERVICE

The customer is responsible for all Long Distance calls placed from his telephone. The holder of a credit card is responsible for all authorized charges made to that number. If a credit card is lost or stolen, or if the customer suspects that unauthorized use is being made of his credit card number, he should contact the business office immediately.

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for your customers to reach you. Include your telephone number on your stationery, statements and all advertising pieces. Show your Area Code, too—it helps distant parties call you faster; For example, 405 326-3361.

TELEGRAMS BY TELEPHONE

You may send telegrams, cablegrams or radiograms by telephoning Western Union Telegraph Company; the charges will appear on your telephone bill. See the listing for Western Union in this directory.

IDENTIFICATION OF TELEPHONE EMPLOYEES

Every Southwestern Bell employee is issued an identification card bearing his or her signature and photograph. If you have reason to question the identity of any telephone employee seeking to enter your home or place of business, ask to see an identification card.

OUT-OF-TOWN DIRECTORIES

Directories of other cities may be obtained by calling the business office.

You think of us as the phone company. We are—and then some. We're part of the nation's largest computer: the Long Distance network. We offer as much special equipment for the handicapped as some hospitals. We transmit more data than a chain of computer companies. We employ more specialists than the largest consulting firms. Why? Because we're more than a phone company. We're a communications company.

USE OF CUSTOMER-PROVIDED TELEPHONE
EQUIPMENT AND SYSTEMS**

GENERAL INFORMATION

Telephone equipment and systems for voice and data transmission not
provided by Southwestern Bell Telephone Company may be used with South-
western Bell Telephone Company's facilities if such use complies with its
tariffs.

Generally, the tariffs provide that connection of such equipment and
systems with Southwestern Bell Telephone Company's facilities must be
made through prescribed protective and signaling devices furnished and
installed by Southwestern Bell Telephone Company and for which a charge
is made. All such equipment and systems must meet the technical criteria
described in the tariffs. The tariffs do not permit wall jacks, plugs, extension
cords, etc. not provided by Southwestern Bell Telephone Company to be
connected directly to its lines.

A customer's service is subject to suspension or termination when cus-
tomer-provided equipment or systems are used in violation of the tariffs.
A service charge will apply when and if Southwestern Bell Telephone
Company makes a service call and the trouble is found to result from the
use of customer-provided equipment or systems.

The tariffs are designed in the interest of insuring the compatibility nec-
essary for the provision of good telephone service. They are binding on both
Southwestern Bell Telephone Company and the customer.

A Salute to the 200th Birthday of the United States and the 100th Birthday of the Telephone

"Happy Birthday, America!" from your Bell System Telephone Company. That's what the cover of this directory is... a birthday party for the nation. And since 1976 is also the centennial of the telephone, we gave each of the 26 guests of honor on the cover a famous phone from yesterday or today. What are they talking about? The two birthdays, no doubt, with reminiscences, tall tales, best wishes, and perhaps even a little bit of gossip. The list below and the key above identify the cover characters and what kinds of phones they're using.

FRONT COVER

1. Benjamin Franklin (1706-1790). Printer, writer, philosopher, scientist, inventor, diplomat. 1878 but-terstamp phone.
2. Statue of Liberty (Dedicated October 28, 1886). A gift from France commemorating 100 years of American freedom. Bell's 1876 Centennial model phone.
3. Astronaut (circa 1969). Today's pioneers. Modern coin phone.
4. Telephone Operator. The telephone operators of America bind the nation together in speech. Operator's headset (circa 1961).
5. Thomas Jefferson (1743-1826). Sportsman, scholar, musician, architect, scientist, inventor, author of the Declaration of Independence, champion of universal education, founder of the University of Virginia, diplomat, third President of the U.S. 1878 wall phone.
6. American Indian (circa 1890). The native American, depicted here as once commemorated on the nickel. 1954 color desk phone.
7. Abraham Lincoln (1809-1865). Prairie lawyer, soldier, rail-splitter, storyteller, sixteenth President of the U.S., the Great Emancipator, martyr. 1880 desk phone.
8. Shirley Temple (1928-). Bleak thoughts of the Great Depression were left at the box office as America watched her sing and dance. 1968 Touch-Tone® TRIMLINE® phone.
9. John Davison Rockefeller (1839-1937). Industrialist, founder of one of the first great American fortunes, philanthropist. 1897 desk phone.
10. Eskimo. Resident of the largest state, Alaska. 1968 transparent TRIMLINE phone (not commercially produced).
11. Will Rogers (1879-1935). Homespun humorist, cowboy philosopher, motion picture actor, writer. 1910 desk phone.
12. Frederick Douglass (1817-1895). Born a slave; became an abolitionist, writer, publisher, orator, public servant, diplomat. 1937 desk phone.
13. Norman Rockwell (1894-). In many ways, the most American of artists and illustrators. 1949 desk phone.

BACK COVER

14. Paul Revere (1735-1818). Silversmith, industrialist, leader of the Boston Tea Party, best known for his horseback ride warning of the approach of British troops. He's talking into one of his silver candlesticks.
15. Robert E. Lee (1807-1870). Brilliant military commander whose genius, character and grace in defeat make him revered throughout the nation. 1892 desk phone.
16. G.I. Joe (circa 1945). We'll never know if Kilroy was *really* there, but G.I. Joe was—from Normandy to Iwo Jima. Army field telephone.
17. The Señorita. From the days of Columbus onward, the Spanish people and their culture have helped shape America. 1930 desk phone.
18. Alexander Graham Bell (1847-1922). Teacher of the deaf, scientist, inventor, humanitarian, philanthropist. He changed the way the world communicated with his invention of the telephone in Boston on March 10, 1876. The first phone—a liquid transmitter with tuned reed receiver.
19. Jackie Robinson (1919-1972). Became the first black to play major league baseball when he signed with the Brooklyn Dodgers in 1947. 1949-54 desk phones.
20. Betsy Ross (1752-1836). Philadelphia upholsterer popularly believed to have created the first American flag. 1913 wall phone.
21. Mark Twain (1835-1910). Pseudonym of Samuel Langhorne Clemens, writer, lecturer, creator of Tom Sawyer and Huckleberry Finn. 1954 color desk phone.
22. The Birthday Party. Happy Birthday to Uncle Sam! Happy Birthday to Mr. Bell's Gadget! 1959 Princess® phone.
23. Uncle Sam (1776-). The Spirit of America personified. 1919 desk phone.
24. Marian Anderson (1902-). Concert contralto who was a frequent guest on "The Bell Telephone Hour." 1886 long distance transmitter.
25. George Washington (1732-1799). Surveyor, soldier, gentleman farmer, statesman, first President of the U.S. 1954 color desk phone.
26. Baby 1976, whose biography is not yet written. Visual phone of the future.

About the Artist: New Jersey artist Stanley Meltzoff conceived and created the special birthday cover. Meltzoff says the cover depicts "American heroes, myths and common people talking on the telephone about themselves, their history and their destiny on the birthday of liberty."

Pick the styles. And the colors. There's a wide selection of personal extension phones to choose from. It's a cinch you'll find models just right for your home. To order, call your local telephone business office.
