

Horse and Buggy Accident

Injured In Runaway

The Choctaw Herald March 30, 1911 - transcribed by Ron Henson

While out driving Monday afternoon Miss Barrett and her mother and Mrs. Ed Reed were injured in a runaway. When near the Third ward school the horse became frightened and ran into the gutter, upsetting the buggy slightly injuring Mrs. Barrett and Mrs. Reed and breaking a limb of Miss Nellie. The buggy was demolished. Dr. Phillips was called and dressed the injuries of the ladies.
