**BAPTIST PASTOR AND WIFE ARRIVE**

Is Native Oklahoman; Graduate Ouichita College  
The Hugo Daily News August 15, 1935 - transcribed by Ron Henson

Rev. Willard E. White and family arrived in Hugo Wednesday to make their home.

Rev. White was recently called by the congregation of the First Baptist church here as their pastor. For the past five years he has been pastor of the First Baptist church in Bentonville, Arkansas.

Rev. White is a native Oklahoman having been born at McCurtain, where he received his early education. He received his degree at Ouichita college, Arkadelphia, Arkansas.

He entered the ministry at the age of fifteen years and has not been without a church since that time.

His wife was Miss DeWitt Ludwick, daughter of Mr. and Mrs. O.W. Ludwick of Paris, Texas. She is a graduate of the Paris Junior college and Baylor University where she majored in voice and piano.

For a time she was head of the voice and piano departments for the Missouri Baptist college.

Since their arrival they have been busily engaged in setting up house keeping but will be "at home" within a short time.

Rev. and Mrs. White will find a warm welcome to Hugo from the entire citizenship regardless of church affiliation.
