MYSTERY SHROUDS SUDDEN DISAPPEARANCE OF FORD AGENT.
HUGO DAILY NEWS-TUESDAY-MARCH-30-1937

No information has been received by employees of the local ford agency here nor by the sheriff's office that would give any clue to the whereabouts of Rex Page, ford dealer, who left Friday night at 10:00 for Dallas.

Mr. Page left with the intention of bringing back a truck to the firm here but the note he left on his desk stating he would be back at noon Saturday is the last word from him. Though no clues have been established, friends and business associates of Mr. Page are fearing that he has fallen victim of foul play.

Page came to Hugo about three months ago to take over the ford agency. He was driving a dull gray ford sedan when he left Hugo. Oklahoma license-337-815 motor number-3495252 four door sedan
