

## **Prominent Terrell Man Moves Here**

The Hugo Husonian May 2, 1912- transcribed by Ron Henson

A.T. Wight, who has been here for the past week, has just closed a deal in which he bought from R.V. Womack the latter's handsome and commodious residence on South Horner street. Mr. Womack and family will move into this house at the corner of Lowry and South Broadway streets.

Mr. Wight for years has been a warm friend of Hugo and has some valuable investments here. It was from him that the directors of the chamber of commerce two years ago bought the 160 acres just north of Hugo for factory sites. Mr. Wight assumed an interest with them. Mrs. Wight has arrived from Terrel [sic].
