

WE THANK YOU

The Soper Democrat February 21, 1918 - transcribed by Ron Henson

We desire to thank all our friends for sympathy shown us, and words of encouragement in our loss by the fire.

We expect to be prepared to serve you again just as soon as we can get a location.

We very much appreciate the nice trade given us before we burned. We administered to the sick, day and night.

Now we are crippled financially. All who wish to can assist very much by calling at Dr. K. [?] P. Hampton's office and settle their small accounts.

We still have the vim and stiff upper lip to serve you again.

Yours for service, McWhortor Drug Co. W.M. McWhortor, Prop.
