The Soper Herald October 29, 1908 - transcribed by Ron Henson

Saturday mornig [sic] Jeff Ferguson and Miss Mary Nail boarded [sic] the east bound train and went to Hugo and were married at the county Judge's office by Justice Berry.

This was indeed a surprise to their many friends and a great many could hardly beleive [sic] it true. They returned home Sunday morning and are now stopping with the brides parents in the east part of town.

They are a worthy young couple and are held in high esteem by their many friends.

The HERALD wishes for them a long and prosperous life.
